STACKING WEIGHT PROBLEM

**COSCO SHIPPING THAMES 013E
PARANAGUA**

Dear Customer,

We hereby declare that vessel COSCO SHIPPING THAMES 013E, suffered a stacking weight problem and affected exportation cargo from PARANAGUA Port.

Therefore your booking had to be transferred to vessel COSCO SHIPPING VOLGA 014 E.

Just for good order, all involved costs will be under owners account.

We regret the inconvenience caused and we are available for further questions.

Yours sincerely,

COSCO Shipping Lines (Brazil)
